

Message from Olga,

Greetings,

We need your help!

I am running for the office for Cleveland City Council in Ward 12 the internationally recognized area for the most foreclosures in a major US city. Since the last election crime is up 400%. Property values continue to plummet. Residents live in fear. Having lived in Slavic Village since 1981 I have watched nearly three decades the erosion of a once proud neighborhood. That's why I am running for office.

I wish to thank all the voters in Ward 12 whom I have met. Thank you for taking the time to express your concerns about your home and neighborhood. Thank you for pledging your support to me.

Please remember to remind all of your friends and relatives to vote on Tuesday November 3rd. We will work together to bring positive changes so long needed.

I have one small favor to ask. Like you I am struggling in a difficult economy. This is truly a grass roots campaign. Please help me get elected to serve you. I have no major "development groups" or corporations funding my campaign. As a result I must turn to you, the voters and supporters of my efforts in Ward 12. Any amount large or small is greatly appreciated. Please make a contribution to my campaign. Invest in your future.

Thank you again for your continued support and faith in my efforts.

When we fix Slavic Village we fix America!

Sincerely,

Olga Sarbinowska

Candidate for Cleveland City Council Ward 12
