

Elect Olga Sarbinowska to City Council Ward 12

My promise to you after you elect me is simple. I will do the following:

- 1) **Open a Council Office in Old Brooklyn** to meet you, be accessible and help you. The current Ward 12 councilman has never had an office in his ward.
- 2) **Meet with Brian Cummins** to gain his perspective on your neighborhood. I will establish a co-operative relationship with him and all council members.
- 3) **Monitor how your tax dollars are administered in your neighborhood.** Make sure the allotments are going where you want them to be.
- 4) **Keep Old Brooklyn one the most desirable neighborhoods in Cleveland.**
- 5) **Support the efforts of local business owners.** Help grant and maintain the state licenses needed to do business.
- 6) **Enforce curfews** to keep children off the streets. Protect our children and seniors.
- 7) **Keep the neighborhood streets repaired, clean, and safe.**
- 8) **Attend neighborhood committee meetings.** Listen and learn how to serve you.
- 9) **Meet with every principal** of every school.

Keep it Safe!
