

## **Elect Olga Sarbinowska to City Council Ward 12**

My promise to you after you elect me is simple. I **will** do the following:

- 1) **Open a Council Office in Slavic Village to meet and help you. The current councilman has never had an office in your ward.**
- 2) **Terminate the rodent infestation plaguing the neighborhood. Rats, raccoons, and skunks will finally be removed.**
- 3) **Demolish the crack houses. Foreclosed properties remaining boarded up and vacant for years are breeding grounds for criminal activity.**
- 4) **Bring back businesses to the abandoned storefronts on Fleet Avenue.**
- 5) **Support the efforts of local business owners. Help grant and maintain the state licenses needed to do business.**
- 6) **Enforce curfews to keep children off the streets. Protect our children and seniors.**
- 7) **Remove garbage from the streets and keep the neighborhood streets clean.**

***It's time to stop talking about community development, and take action to develop the community!***

**Keep it Safe!**

**On November 3<sup>rd</sup>, cast your vote for change. Vote for me, Olga Sarbinowska  
Cleveland City Council Ward 12.**
